

## Why Register?

Registration funds help pay for convention facilities, equipment costs, supplies and other expenses.

Registration fees make this and future conventions possible.

We believe that once you understand that it is the income from your registration that helps make this event possible, and that the registration funds collected are used for planning and the implementation of this convention, the reasons for registering become clear.

It is the support of each member's registration or donation that helps make this event a success.

## Newcomer Policy

A newcomer is a member with 30 days or less of continuous clean time.

Newcomer donations allow us to create registrations for members with 30 days or less so that they may join us in our celebration.
